PROFESSIONAL EXPERIENCE

Group Head of Procurement & Supply Chain

Bukhatir Group | Sharjah, UAE

March 2022 – Present

Lead all procurement and supply chain operations for Bukhatir Group, a multi-sector conglomerate with operations spanning construction, real estate, education, facility management, and services across the UAE. Accountable for $50M+ in annual procurement spend, strategic sourcing strategy, category management, supplier relationship management (SRM), and P2P process transformation.

- Developed and executed group-wide procurement strategy encompassing strategic sourcing, category management, and spend analysis resulting in significant cost reduction across all business verticals
- Designed and implemented Procure-to-Pay (P2P) workflows and ERP-based procurement processes (SAP / Oracle), improving process efficiency and audit compliance
- Led RFQ, RFP, and RFI processes for high-value contracts, negotiating favorable terms and Incoterms with international and local vendors
- Established Supplier Relationship Management (SRM) framework, vendor performance scorecards, and framework agreements, reducing supply risk and improving service levels
- Applied Total Cost of Ownership (TCO) analysis methodology to capital and operational expenditure decisions
- Built and mentored cross-functional procurement team; drove talent development and knowledge transfer
- Implemented sustainable procurement practices and HSE / ISO 45001 compliance across supply chain operations
- Delivered data-driven insights using Power BI dashboards for spend analysis, KPIs, and executive reporting

Lead Supply Chain & Operations Manager

American School of Creative Science (ASCS) | Sharjah & Dubai, UAE
March 2017 – July 2021

Oversaw supply chain, facilities, and operations management across three school campuses, ensuring compliance with company policies, regulatory requirements, and HSE standards.

- Unified procurement processes across three campuses, delivering measurable cost savings without quality compromise
- Chaired the Health & Safety Committee; led HSE audits achieving 'Very Good' MOE rating
- Managed Capex and Opex budgeting across all facilities with full financial accountability
- Oversaw transport fleet of 70+ buses serving 1,500 students with zero safety incidents
- Achieved NEASC Accreditation for ASCS Maliha branch (Section G – Facilities & Resources)
- Obtained ISO 45001 Lead Auditor and IOSH Managing Safely certifications

Supply Chain & Operations Manager

American School of Creative Science (ASCS) | Sharjah, UAE (Maliha Branch)
September 2014 – March 2017

- Directed day-to-day school operations and supply chain functions, supporting 600% student growth since 2013
- Opened, equipped, and operationalized 4 new buildings across 5 construction phases
- Reduced educational resource procurement costs through strategic sourcing initiatives
- Completed PMP Training certification

Earlier Career (2010 – 2014)

Admin Officer – American School of Creative Science, Sharjah (2013–2014) | Executive Manager – The E-Vision, Lebanon (2011–2013) | Assistant Manager – Eduware, Lebanon (2010)
